Dear Ms Bugeja,

Re: Reply to Management Letter 2024

Reference is made to the Auditor's Management Letter dated 15th April 2025 and received on 10th May 2025.

Please find hereunder the Hal Balzan Local Council's response to the Management Letter for the year ending 31st December 2024.

1. Previous Management Letter

Follow up on prior year's issues

As a follow-up to last year's report, the Council made sure to address the issues raised in last year's management letter.

Whilst acknowledging the positive remarks raised by the Auditors, other comments raised under:

- 1.3 will be dealt in notes 2.1 and 2.2; and
- 1.4 will be dealt in note 4.

2. Fixed Assets

2.1 – Upkeep of fixed asset register

As noted in previous years, the Council notes the recommendation, but certain information was lost when there was a transition between accounting systems and could not be traced back due to lapse of time.

2.2 – Reconciliation of financial statements and fixed asset register

The Council notes the recommendation. However, it is to be noted that the software does not distinguish between depreciation and grants and hence there is no direct way of presenting this. Moreover, the immaterial differences are resulting from rounding errors.

3. Inventory

The auditors' comments have been noted.

4. LES receivables

The Council notes the recommendation. The Council has already contacted LESA about the matter, to confirm the correct balance.

5. Deferred Income

The Council noted the auditors' comments, and the proposed adjustments were carried out.

6. Specimen chart of accounts

The Council notes the recommendation. Although the current chart of accounts does not follow to the letter the specimen chart of accounts as per the Local Councils (Financial) Procedures, it does reflect this but with six numeric codes rather than four to provide additional flexibility.

The Hal Balzan Local Council would like to thank the auditors for their constructive and professional advice provided during the course of their audit.

During the Council meeting held on Tuesday 20th May 2025, the Hal Balzan Local Council has discussed and clearly understood the contents of the Management Letter sent by the Auditors and will be making the necessary amendements as outlined in this reply.
